New Madison County Chamber Program Donates \$1,000 to MadCAAP

Ridgeland, MISS. – “Link Up on the Links,” the Madison County Chamber’s monthly golf program, held its November outing on Thursday, Nov. 10, 2011, at Whisper Lake Country Club in Madison to raise money to feed the less fortunate for MadCAAP’s (Madison Countians Allied Against Poverty) Thanksgiving charity cause. Fifteen golfers raised \$1,000 to support a charitable cause while engaging in a little networking fun.

“We started doing these events back in February and thought it would be great to add a charitable element to our November event. MadCAAP was the perfect choice,” said Jim Jeter, Chamber Board Member and Link Up on the Links Program Coordinator.

Hole sponsorships that were entirely donated to MadCAAP were sold prior to the event. Hole sponsors were: Brown Bottling Group, Douglas Express Delivery, MMC Materials, MS Baptist Health Systems, Printables & More, St. Dominic’s Foundation, Summit Alliance and Tony & Leslie Haines.

“Thank you to the Link Up on the Links Event for raising funds for our Thanksgiving food drive. We’ve been so fortunate that so many groups have shown their concern for those living in poverty in our county. Because of their generosity, we’ll be able to provide 750 families with groceries and turkeys for the Thanksgiving holiday,” said Executive Director of MadCAAP Karen Robison.

“Link Up on the Links” is a monthly networking event put on by the Madison County Chamber of Commerce where golfers get the chance to play on different courses around Madison County. For more information about “Link Up on the Links” or the Madison County Chamber of Commerce, email info@madisoncountychamber.com or call 601.605.2554.
